MXP Wireless Presentation Mouse

Bluetooth, 2.4 GHz, 14-Function with Touchpad

The ideal tool for the perfect presentation.

The MANHATTAN® MXP Wireless Presentation Mouse puts multi-media, mouse and presentation controls with a built-in laser pointer in the palm of the hand. Its secure 2.4 GHz Bluetooth connection provides easy installation and reliable connectivity for plenty of freedom and control from almost anywhere in the room. Integrated media and slide buttons give presenters all-in-one control during important meetings and demonstrations. The sensitive 200 dpi touchpad quickly places the cursor where and when it's needed for precise four-button mouse operation.

Full Functionality That's Ideal for Mobile Computing

The MANHATTAN MXP Wireless Presentation Mouse eliminates unnecessary cables, cords and batteries with a sleek, low-profile design that quickly recharges through any USB port or PCMCIA slot.

Lifetime Warranty

Strict manufacturing standards ensure the highest quality in all MANHATTAN products. All items carry a full Lifetime Warranty — the strongest quality commitment anyone can make.
